

Cancer Cell Biology Fall Seminar Series 2015

Jie Wu, PhD
Peggy and Charles Stephenson
Cancer Center

**“Theme and Variations in the Roles of
Protein Tyrosine Kinases and Phosphatases
in Oncogenesis”**

Wednesday, October 28, 2015
12:00 PM – 1:00 PM
HSN Room # 2157

For additional information please contact Tina Lankford at 304-293-5175

**This seminar is sponsored by the Mary Babb Randolph Cancer
Center Coordinator and speaker host Dr. Yehenew Agazie.**

After attending this seminar, the participating audience of physicians should be able to: understand current concepts in basic and clinical cancer research and better comprehend the most recent research on cellular signaling, tumor microenvironment, diagnostics and therapies involved in cancer control and prevention.

The West Virginia University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 1 AMA PRA Category 1 credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All those in a position to control content of this program have indicated that they have no significant interests to disclose.
